

The Orthopedic Center Foot and Ankle

 Dublin Methodist Hospital

WE MADE SURE THAT A RUPTURED ACHILLES DIDN'T THROW TRACY'S BUSY LIFE OFF COURSE.

Our foot and ankle experts are performing advanced non-operative procedures in our state-of-the-art hospital.

We're focused on helping you heal and recover more quickly so you can stay on your schedule.

"With a long list of important events coming up, I didn't have time for a long recovery. I was mobile in a week."

- Tracy DiSabato-Aust, triathlete
